

Achievement and Motivation Template

What have you achieved, big or small, this month?	How did you celebrate it?

BIG NEWS!!

We turned out Supervisor training course (<https://phdvoice.org/product/supervisor-training/>) into a book!

It's called "Supervising PhD Students, Effectively"

It covers 11 different supervising topics including:

- Creating A Self-Perpetuating Positive Atmosphere
- Resolving Disputes
- How To Guide Your PhD Students
- How To Set Up Boundaries
- Your Own Professional Development
- And More!
-
- Each topic is one building block to make a cohesive supervising model to follow.

Most find supervising tough, but it doesn't have to be. In fact, it's actually easy once you have the right tools to do it. This book gives you these tools.

Read it and make your supervising easier and more effective!
